

Industrial Open House & Career Fair
University of Engineering & Technology,
Lahore

SUBJECT: INVITATION TO UET INDUSTRIAL OPEN HOUSE & CAREER FAIR (IOHCF'19)

Respected Sir/Madam,

Considering industry-academia linkage a vital element in development and progress of the country, University of Engineering and Technology (UET) rightfully emphasizes on developing close liaison with the industry as a valuable partner. To strengthen these academia-industry ties, the UET Lahore arranges **Industrial Open House & Career Fair (IOHCF)** as a major calendar event, every year. In this mega event, the future leaders i.e., graduating students showcase their Final Year Projects (FYPs) and various industries introduce their strengths, products, and promising opportunities by setting up their stalls. The idea is to provide a single platform where both the students and industry closely interact for future developmental projects, internship opportunities and possible recruitments. The last four IOHCFs have been a roaring success which managed to attract a large number of industries and visitors.

In this context, the Managing Committee of IOHCF'19 cordially invites your esteemed organization to be a part of this signature event by setting-up a stall to showcase your distinctive features which define your organization as a platform of fulfilling career dreams. The participating organizations will also be facilitated to conduct test/interview for their recruitment process. The event will be held on **April 03-04, 2019 at UET, Lahore** and you may join us as an invaluable sponsor or registered exhibitor (Please see attached details).

To reserve your place in the event, please RSVP by registering via email with the subject title "IOHCF'19" to iohcf@uet.edu.pk or contact at **+92 (42) 99029480**. Kindly, note that the number of stalls is limited and will be reserved on first come first served basis.

Looking forward to welcome you at IOHCF'19 as a valuable partner,

Best Regards,
Prof. Dr. Asif Ali Qaiser
